Our Commitment To You

We spent years researching and developing our products and offerings. We have chosen products that meet the highest standards and treatments that provide proven therapeutic benefits. We have spared no expense in bringing you the “best-of-the-best” products and treatments from around the world. Our therapists rely on products as liquid tools to help bring their creative visions to life. We realize our clients' right to the same opportunity. We advise each client on the products and techniques best suited for their needs.

Reservations

Please inform our receptionist if you have any significant health issues or may be pregnant. Remember to request extra time between services if desired. Please note that all treatment times are approximate.

Appointments

In order to maximize the benefits of your treatment, we ask that you arrive 15 minutes prior to your appointment. Guests who arrive late will be charged in full, unfortunately, we will not be able to make up the lost time.

Staff Selection

We make every effort to honor requests for specific staff members; however, we cannot guarantee your selection in every case.

Confirmation

We will make a courtesy call to you 24 hours in advance of your appointment. We do ask, however, that you assume all responsibility for remembering your reservation.

For Your Visit

Please maintain a quiet level of conversation as a courtesy to other guests. Cellular phones are not permitted in the spa. All services include complimentary refreshments. For your convenience, we provide robes, slippers, lockers for personal items, towels, and body products. Products are available for purchase in the retail area. We suggest that you book your next visit prior to leaving the Spa. This will ensure your personal choice of times and staff. Please leave valuables at home, as the Spa is not responsible for lost or stolen items.

Payment

We accept MasterCard, Discover, Visa, American Express, Personal Checks and Gift Certificates as methods of payment for services and products. Prices are subject to change without notice. Your gratuities are appreciated by our therapists and must be paid in cash or checks made out to cash.

Cancellation Policy

A 24 hour cancellation notice is required. Your appointment is a commitment of the therapist's time. Failure to comply will result in the full service charge or forfeit of your gift certificate. Please be courteous.

Return Policy

There is a NO RETURN policy on all products purchased. A store credit will be issued on unused/unopened items. All gift certificates are NON-REFUNDABLE and NON-RETURNABLE. No exceptions.
